

VOTING INSTRUCTIONS

Before you vote, read through this ballot guide and familiarize yourself with the candidates and measures listed.

SELECT YOUR COMPUTER BALLOT CARD

- For this election separate ballot cards have been provided for each political party plus a nonpartisan ballot. You must choose only one ballot card to vote. Though party affiliation is inferred by choosing a political party ballot, no record will be made of the ballot you choose. Only return one voted ballot card and discard the remaining three. If you vote more than one political party ballot, none of your votes for political party candidates will count. You may vote a nonpartisan ballot, regardless of any party affiliation.

- Nonpartisan candidates are those who are not required to provide a party label when they file for office. They include Superintendent of Public Instruction as well as all judicial offices and local measures.**

TO VOTE YOUR COMPUTER BALLOT CARD

- Lay your chosen computer ballot card on a hard, flat surface, such as a desk or table.
- Using the absentee voting guide, choose for whom or what you wish to vote, noting the number on the voting guide that corresponds to your choice.
- Match the number by your choice in the voting guide with the number on the computer ballot card you have chosen.
- With a pen or pencil, press straight down on the black dot (•) directly above the number on the ballot card corresponding to your choice. While holding the tip of the pen or pencil down firmly, slowly lift the computer card until the rectangular "punch" is completely detached.**
- If you make a mistake and vote for the wrong choice, punch out the number on the ballot card of the choice you want to vote for and put an "X" through the choice you do not want. If the ballot is damaged to the point it is not usable, you may get a replacement ballot by bringing the damaged ballot to the Elections Office. The County Elections Office is now located at 1408 Franklin Street, Vancouver.
- When you have completed voting, turn the ballot card over to be sure all punched voting rectangles have been completely removed from the card. Be sure to check your voted ballot to be sure that you have not missed a race in which you intended to vote. Also check to be sure that you have not voted twice in any race or on any issue. If you vote twice in**

one race neither vote in that race will count.

- Place your completed ballot in the yellow "secrecy" envelope and seal the envelope.
- Place the yellow envelope in the return "affidavit" envelope addressed to the County Auditor and seal this envelope.
- Read, then sign and date the affidavit on the outside of the return "affidavit" envelope.* **This must be done or your ballot will not be counted.**

WRITE-IN VOTING

- To "write in" the name of a candidate not on this ballot guide, use the goldenrod "write-in" ballot. Be sure to include the jurisdiction, the office and the political party of the person being written in.

TO RETURN BY MAIL

- Attach sufficient first-class postage to the return envelope (**37 cents**) and mail it so that it will be **postmarked** the day of the election or sooner.

TO RETURN IN PERSON

- If you choose not to mail your ballot you may deliver it to the County Elections Office before 8 PM on Election Day. The County Elections Office is now located at 1408 Franklin Street, Vancouver.
- On election day (Tuesday, September 14) you may deliver your voted ballot to your polling place between the hours of 7 AM and 8 PM.
- You must use the ballot that you received by mail or obtained from the County Elections Office.

Call the County Elections Office if you have any questions. (Phone: 397-2345)

** Warning **

* **Any person attempting to vote when he or she is not entitled or who falsely signs the affidavit shall be guilty of a felony, punishable by imprisonment for not more than five years or a fine of not more than ten thousand dollars, or both such fine and imprisonment.**

DEMOCRATIC PARTY PRIMARY

** START OF ** DEMOCRATIC BALLOT

To find your ballots for this election look in your yellow secrecy envelope. Only one of the four ballots you have been given may be voted. Use the **RED** ballot and this section of the *Guide* if you wish to vote in the Democratic Party Primary. To vote in another political party primary go to one of the next two party sections.

If more than one political party ballot is voted and returned, none of the votes cast for any political party candidates will be counted.

By choosing to cast a political party ballot it is inferred that you are affiliating with that political party for this primary. However, no record will be made or kept that shows in which political party primary you participated.

Every registered voter is also eligible to vote for the nonpartisan races and local measures. If you do not wish to vote in a political party primary use the **OFF-WHITE** nonpartisan ballot to cast your votes. If you choose to vote a political party ballot, you should vote the nonpartisan races and local measures on that colored political party ballot.
